Cow & Sow are proud to support Frank Water.

Frank Water Projects is a charity registered in England & Wales. No. 1121273

Now offering draught filtered still & sparkling water, Cow & Sow are donating a proportion of the proceeds of our water sales. These proceeds will support those most in need of fresh water supply. Put simply, for every £12 raised, one person in need will have access to water for life.

Unlimited refills of still or sparkling filtered water are charged at £2 per cover. Alternatively, filtered water can be made available and charged by the glass at £1.50.
