COW&SOW

We are a Certified B Corporation.

Cow & Sow became a Certified B Corporation in October 2024, a huge hard-won milestone for our small family business.

We pledge to balance purpose and profit, aiming to surpass the highest standards of social and environmental performance, accountability, and transparency and committing to a more inclusive, equitable and regenerative way of doing business as a force for good.

Here's a snippet of some of the things we've been doing at Cow & Sow:

People.

We LOVE our people and want to share our purpose and progress with them, so we've issued shares in our beloved Cow & Sow. Birthdays are special so we always celebrate by having the day off! If you stay with us (as most do) our brilliant people get a full month paid sabbatical after 5 years.

Planet.

We CARE for the planet that looks after our produce, (especially on our farm) we want it to be healthy. By tracking our carbon output, we can reduce our footprint year on year and mitigate our emissions through the transformation of waste into renewable energy sources and through afforestation in abandoned farmland.

Community.

Throughout the year we support numerous charities and we even pay our team members if they take a day off to fundraise or volunteer. We are proud to donate to those charities close to the hearts and minds of our loyal customers. Fareshare South West and LoveBrum are just two of our charitable partners.
